## 3-24 (800) 442-2283

**San Bernardino**: The County of San Bernardino Department of Public Health, Division of Environmental Health Services Local Primacy Agency (LPA) will be hosting the first of an ongoing series of Industry Roundtables for operators of small water systems in San

Community and Non-Transient Water Systems Industry Roundtable

ongoing series of Industry Roundtables for operators of small water systems in San Bernardino County. The inaugural roundtable is geared towards community and non-transient water systems. It will be held on Tuesday May 21, 2013 from 8:30 am to 3:30 pm at the Mojave Water Agency (13846 Conference Center Drive, Apple Valley, CA 92307).

The roundtable will be an opportunity for operators to meet representatives from their LPA, the California Department of Public Health (CDPH), the Mojave Water Agency, and the California Rural Water Association (CalRural). Operators will learn more about Title 22 requirements for community and non-transient water systems, including the Total Coliform Rule (TCR), Groundwater Rule (GWR), and Revised Total Coliform Rule (RTCR). Attendees will hear about County and State regulatory updates, and will learn what grants and loans are available to them. There will also be a Question and Answer (Q&A) session.

Operators interested in attending the Industry Roundtable can RSVP by <u>clicking here</u> or by calling 1(800) 442-2283.

For more information, contact the County of San Bernardino Department of Public Health, Division of Environmental Health Services at (800) 442-2283 or visit our website at <a href="https://www.sbcounty.gov/dph/dehs">www.sbcounty.gov/dph/dehs</a>.
