Not In Compliance

Violation Reference - **HSC**

Violation Description: A complaint report has been received by Environmental Health.

Overall Inspection Comments

A complaint alleged that there's no hand washing sink in the kitchen, employee not practicing hand washing, and some employee do not have food handler cards.

- This facility has 4 handwashing sinks in front service area, 1 sink in gelato making station and 1 sink in main kitchen.
- Observed proper food handling at this time of inspection.
- During a routine inspection on 2/10/14, several food handler cards were observed missing. However, the compliance has been met.

Corrective actions:

- Observed several soiled wiping cloths on kitchen counters and in front service area. Store them in sanitizer buckets between each use.
- Observed some open glasses of employees' drinks on shelf and counters throughout the main kitchen. Store all personal items in a designated place between each use.

Proper handwashing procedures were discussed with owner.
